Superintendent Search Regional
Community Gatherings

We are at a historic moment for DPS, and need your voice in who our next superintendent should be! At these virtual gatherings, we will share status updates on the Superintendent Search, followed by roundtable discussions, where community members will be asked to share their thoughts on the following questions:

● What do you love most about DPS that our next superintendent should champion and protect?
● What are the key areas of improvement for DPS that our next superintendent will lead us through?
● What skills will be most important for our superintendent to be successful in the role?
● What are the most important things DPS must accomplish in the next 3 to 5 years?

These meetings will be held in English and Spanish only. We are scheduling additional meetings to be held in other languages in mid-April, and will share more details soon.
